Volunteers are also needed to make our community safer, cleaner and healthier by becoming a Block Club Leader or working with Minneapolis Public Works to adopt a street, a block or a trash container.

Volunteers can use their existing skills or pick up new skills by volunteering on the Board of Directors or one of the four standing committees: Cleveland Education Opportunities and Youth, Community Development, Crime and Safety or Events.

Spring Cleaning and Greening Day Electronics Recycling Event Saturday, May 16

As part of our annual Spring Cleaning Day, the Cleveland Neighborhood will host its first Electronics Recycling Event on Saturday, May 16 from 9:00 AM—3:00 PM.

This event is open to the public and will be located in the North Parking lot of Lucy Craft Laney School (off of 34th Avenue North).

There is no charge to drop off your electronics, but donations to the Cleveland Neighborhood Association are appreciated. Donations will go toward producing future neighborhood events.

Items accepted are: computers, monitors, DVD and CD players, stereos, microwaves, TVs up to 25", cell phones and other small electronics.

As has been the case in past years, we are asking community members and block clubs to ensure their streets and alleys are cleaned up and adopting these areas for the duration of the summer months. Please call the office at (612) 588-1155 and CNA will supply garbage bags to assist you with the Spring Clean-up and provide information on how to formally adopt your block.

Please use this day as an opportunity to touch base with your neighbors and meet your new neighbors. Remember, the Cleveland Neighborhood is a small neighborhood with a big heart because of our residents efforts.

Thank you!

2009 Landscaping Grants

Itching to work on the yard?

Applications are available for the 2009 Landscaping Grants. Grants will be awarded for boulevard perennial plantings that help reduce stormwater runoff and aid in keeping our lakes and rivers clean. The funds must be used for plants and the maximum reimbursement amount will be \$100.00 per household.

Funds are limited and will be first come, first served. Forms are also available on our website: <http://www.clevelandneighborhood.org>

Rain Gardens Update

The Cleveland Neighborhood had 13 gardeners who were able to participate in the Rain Garden Party. They completed the rain garden class sponsored by Metro Blooms at Lucy Craft Laney School on March 26 and completed their onsite consultation to plan their rain garden in April. In May they will install their gardens! Then on the afternoon of Sunday, July 12, they will be sharing their gardens on the annual Garden Tour.

Just because you missed the party, that doesn't mean you cannot still do a rain garden. Attend the Workshop Part A class and the optional Workshop Part B class and add your own rain garden to the neighborhood. Classes are available across the metro, register online at www.metroblooms.org.

Metro Blooms offers a reimbursement grant for native plants on a first come first served basis. Visit their website for more information.

What is a rain garden? Instead of a raised bed, the rain garden bed is a depression planted with native plants intended to capture storm water runoff. Rain water is infiltrated into the ground and prevents contaminants from reaching our lakes and streams.

LOWRY AVENUE CONSTRUCTION

The long awaited Phase 2B of the Lowry Avenue Reconstruction is finally here. The road closed on Monday, April 6 and is anticipated to be closed into October.

During Construction, businesses typically see a downturn in business. Please do your part to support the local businesses that are part of the neighborhood. All of these businesses are accessible from 34th Avenue North (look for the orange signs).

Cleveland Neighborhood businesses impacted:

- Tootie's on Lowry, 2706 Lowry Avenue North. Use Upton from 34th.
- Smart Car Care, 2606 Lowry Avenue North. Use Thomas from 34th.
- Glover Insurance Agency, 2520 Lowry Avenue North. Use Thomas from 34th.

With your help, these businesses can survive the drop in business that usually comes with road construction projects.

Several Meetings Moved to Tootie's During Lowry Avenue Construction

The Cleveland Neighborhood Association will be moving its board meetings and two committee meetings to Tootie's, 2706 Lowry Avenue North, from May through October. Please join us there!

Home Improvement Funds

Are you considering a home improvement project? Many residents are accustomed to the neighborhood having committed some of their funds to Loan Pools for home improvement.

The Cleveland Neighborhood Association at one time did have a loan pool, but we found that many residents preferred financing options available from the Minnesota Housing Finance Agency.

With cuts to the Neighborhood Revitalization Program (NRP) Funds available to neighborhoods reduced, and the cost of loan administration, we cannot offer our own program. But we can direct people to Minnesota Housing Finance Agency programs such as the Minnesota Fix-Up Fund.

- Rate - as low as 6.5%
- Maximum Loan—\$35,000
- Maximum Term—20 years
- Up to 100% Loan to Value
- Maximum Household Income Limit—\$93,100

Other loans may also be available and you have your choice of providers:
